The *Journal of Clinical Microbiology* (ISSN 1098-660X), a publication of the American Society for Microbiology (ASM), 1752 N St., N.W., Washington, DC 20036-2904, is devoted to the dissemination of new knowledge concerning the applied microbiological aspects of human and animal infections and infestations, particularly regarding their etiologic agents, diagnosis, and epidemiology. Papers dealing with antibiotics and antimicrobial agents and chemotherapy, with fundamental aspects of infection and immunity, and with food or dairy microbiology fall within the scope of other ASM publications.

The *Journal of Clinical Microbiology* became an online-only journal with Volume 56, Issue 1 (January 2018). The final print issue was Volume 55, Issue 12 (December 2017). Previous print ISSN: 0095-1137.

Instructions to Authors are updated throughout the year. The current version is available on the journal website. The *Journal of Clinical Microbiology* is published monthly, one volume per year. For subscription prices, contact the Subscriptions Unit, ASM ([asmjournals@subscriptionoffice.com](mailto:asmjournals@subscriptionoffice.com)). Correspondence relating to reprint orders should be directed to ASM Author Services ([ASM.AuthorServicesSupport@cenveo.com](mailto:ASM.AuthorServicesSupport@cenveo.com)), and correspondence relating to disposition of submitted manuscripts, proofs, and general editorial matters should be directed to the Journals Department, American Society for Microbiology, 1752 N St., N.W., Washington, DC 20036-2904. Phone: (202) 737-3600 (see <https://journals.asm.org/content/contact-us>). ASM policies for permissions, commercial reprints, and ePrints can be found at <https://journals.asm.org/content/permissions>.
