The *Journal of Clinical Microbiology*, a publication of the American Society for Microbiology, 1913 I St., N. W., Washington, D.C. 20006, is devoted to the dissemination of new knowledge concerning the applied microbiological aspects of human and animal infections and infestations, particularly regarding their etiologic agents, diagnosis, and epidemiology. Papers dealing with antibiotics and antimicrobial agents and chemotherapy, with fundamental aspects of infection and immunity, and with food or dairy microbiology fall within the scope of other ASM publications. Instructions to Authors are published in the January issue each year. The *Journal* is published monthly, and the twelve numbers are divided into two volumes per year. The nonmember subscription price is \$60 per year. The member subscription price is \$15 per year. Single copies are \$6. Correspondence relating to subscription, reprints, defective copies, availability of back issues, lost or late proofs, disposition of submitted manuscripts, and general editorial matters should be directed to the ASM Publications Office, 1913 I St., N. W., Washington, D.C., 20006 (area 202 833-9680).

Second-class postage paid at Washington, D.C. 20006, and at additional mailing offices.

Made in the United States of America.
